MY STORY ARC

Who Will I Be One Year From Now?

My body repairs, renews and regenerates itself every single day. Without my instructions or direction my body creates new cells in the...

Stomach - Every 5 Days Skin - Every 30 Days Liver - In Six Weeks Skeleton - In Three Months

Today is

98% of my physical body will renew itself in the next 12 months.

I Will Be a Whole New Person This Time Next Year!
